Note from Judy Morgan 46 Burr Ave, New York Mills, 13417

Hi, My name is Judy Morgan and I am interested in becoming a New York Mills Library Board member.

I use the library and enjoy what the staff brings to me.

I am retired and feel that I count bring new ideas along with assisting with current operations.

I have lived in New York Mills for over 30 years and appreciate the community it has been and is growing to be.
